Upon examination he found that the intruder had made a breakfast of a setting of eggs he had placed under one of his hens a few days before. He killed the reptile and replaced the eggs, in due time they hatched, but to little snakes was the result of the incubation. The most startling part of the whole thing is that the little snakes were covered with feathers and had gills and combs closely resembling those of the ordinary barnvard fowl. We delight to sound the praise of BEATY'S\$3.00

The Goodyear process by which they are made renders them equal in ease and flex-

ibility to hand-sewed shoes. Your prosperity is our success. To secure prosperity a man's mind must soar higher than his feet. Buy comfort and durabilify at BEATY'S. "What gift has Providence bestowed on man so dear to him as his children?" Take care of the dear little fellows' feet and let them frolic. Last, but not least, we say to the ladies, the whole country depends upon your influence. Keep your mind at ease and your health protected. BEATY'S COMMON SENSE SHOES will aid you.
